Special Issue on Social Studies Education

Call for Papers

Social studies education is the integrated study of multiple fields of sociology, including history, geography, and political science with education research.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on social studies education. Potential topics include, but are not limited to:

- Sociology and education
- History education
- Political education
- Philosophy and education
- Education and social work
- Culture education
- Citizen education
- Moral and ethical education
- Human development and humanities education

Authors should read over the journal’s For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s Paper Submission System.

Please kindly notice that the “Special Issue” under your manuscript title is supposed to be specified and the research field “Special Issue – Social Studies Education” should be chosen during your submission.
