Special Issue on Magnetic Resonance Imaging

Call for Papers

Magnetic Resonance Imaging (MRI), also known as nuclear magnetic resonance imaging, is a technique for creating detailed images of the human body.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring magnetic resonance imaging. Potential topics include, but are not limited to:

- MRI of brain and brain stem
- Cardiac MRI
- Specialized applications
- Functional MRI
- Diffusion MRI
- MRI safety
- Physics of magnetic resonance imaging
- Future of MRI
- Others

Authors should read over the journal’s Authors’ Guidelines carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue – Magnetic Resonance Imaging” should be selected during your submission.
