Special Issue on Nursing & Healthcare

Call for Papers

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring nursing & healthcare. Potential topics include, but are not limited to:

- Pediatric nursing
- Cancer nursing, cardiac nursing, etc.
- Clinical nursing and nursing management
- Emergency nursing
- Women health nursing
- Skills & techniques in clinical nursing
- Psychiatric and mental health nursing
- Nursing education
- Public health

Authors should read over the journal’s Authors’ Guidelines carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at Paper Submission System.

Please kindly specify the “Special Issue” under your manuscript title. The research field “Special Issue – Nursing & Healthcare” should be selected during your submission.
