

Special Issue on Influenza

Call for Papers

Health is an international journal dedicated to the latest advancement of health. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of health. You are invited to submit a paper for Special Issue of health.

Please submit your research, review or short communication for this upcoming **special issue on "Influenza"**

In this special issue, we are going to invite front-line researchers and authors to submit original research and review articles that explore **Influenza**. Potential topics include, but are not limited to:

- Fever and extreme coldness
- Cough
- Nasal congestion
- Body aches, especially joints and throat
- Fatigue
- Headache
- Irritated, watering eyes
- Reddened eyes, skin (especially face), mouth, throat and nose
- Petechial Rash
- Bird flu
- Swine flu

Before submission authors should carefully read over the journal's Author Guidelines, which are located at <http://www.scirp.org/Journal/ForAuthors.aspx?JournalID=65>.
