

## **Announcement from Editorial Board**

The following article has been retracted due to plagiarism. This paper published in Vol.3 No.4, April 2012, has been removed from this site.

Title: On the Relativistic Stars

Author: Silvia Morales, Roberto Aquilano

It has been brought to our attention that this paper appears exactly as it was published in *Astroparticle Physics*, vol. 32, 2009, 153. ("On the nature of relativistic stars" by Silvia Morales, Alejandra Zorzi, Roberto Aquilano)

Consequently, this paper has been retracted by *Journal of Modern Physics*.
