Volume 6 Number 4

April 2018

Characterisation of Fractures and Fracture Zones in a Carbonate Aquifer Using Electrical Resistivity Tomography and Pricking Probe Methods

S. Szalai, A. Kovács, L. Kuslits, G. Facskó, K. Gribovszki, J. Kalmár, L. Szarka.....1

Long Term Assessment of Aerosol Radiative Forcing over Selected Sites of East Africa

J. W. Makokha, J. O. Odhiambo, J. G. Shem.....22

Assessment of Heavy Metals Concentration in Shore Sediments from the Bank of River Benue, North-Central Nigeria

E. Emmanuel, T. Sombo, J. Ugwanyi.....35

Petrochemistry and Petrogenetic Features of Metasedimentary Rocks of Igangan Area, Southwestern Nigeria

O. G. Olisa, O. A. Okunlola, A. A. Omitogun.....49

Rare Metals (Ta-Nb-Sn) Mineralization Potential of Pegmatites of Igangan Area, Southwestern Nigeria

O. G. Olisa, O. A. Okunlola, A. A. Omitogun.....67

Heavy Metals Distribution and Their Correlation with Clay Size Fraction in Stream Sediments of the Lesser Zab River at Northeastern Iraq

A. R. Ali, M. J. A. Talabani.....89

Environmental Impact of Abandoned Asphalt Production Site on Soil, Water and Vegetables from Near Farmlands

A. U. Itodo, M. Ubimago, R. A. Wuana.....107

Geospatial Assessment of the Impact of Urban Sprawl in Akure, Southwestern Nigeria

V. A. Usman, E. O. Makinde, A. T. Salami.....123

Prioritization of W. Mujib Catchment (South Jordan) through Morphometric and Discriminant Analysis, GIS, and RS Techniques

Y. Farhan, D. Zreghat, A. Anbar, H. Almohammad, S. Alshawamreh.....141

Natural Radiation Dose and Geomagnetic Effect

B. Vuković, M. P. Sovilj, V. Radolić, I. Miklavčić, J. Planinić.....172

Sediment Oxygen Demand of a Leachate Pond at an Offshore Municipal Solid Waste Disposal Site 2 Years after the Site Was Closed

S. Sakita, J. Nishimoto, K. Nishimura.....181

Characterization and Comparison of Microbial Soil Diversity in Two Andean Peatlands in Different States of Conservation-Vega Tocatorpur

C. Belfiore, A. Fernandez, A. P. Santos, M. Contreras, M. E. Farías.....194

Community-Based Approach in the Prevention and Management of Flood Disasters in Babessi Sub-Division (Ndop Plain, North West Cameroon)

P. Aka Tangan, P. Azinwi Tamfuh, A. Magha Mufur, E. L. Tanko Njiosseu, J. Nfor,
A. F. Mefire, D. Bitom.....211

Study of Groundwater in Northeast Cairo Area, Egypt

S. A. El-Sayed.....229

Hydrogeology of the Basin Granitoids in the Sekyere South District of Ashanti Region, Ghana

A. Ewusi, J. Seidu.....252

Ecological Niche Modeling of Zebra Species within Laikipia County, Kenya

T. S. Mwangi, H. Waithaka, M. Boitt.....264

The Relationship between the Typhoon Storm in Fujian and Circulation Circumstances

J. Y. Zeng, Y. Lin, C. H. Gao.....277

Methods and Tools Supporting Urban Resilience Planning: Experiences from Cork, Ireland

K. M. de Bruijn, H. van der Most, L. Cumiskey, M. Hounjet, M. Mens.....290
