Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Avoiding Dangerous Climate Change
- Carbon Financing and Markets
- Carbon Neutrality
- Carbon Process Management
- Carbon Taxation
- Clean Development Mechanism, Joint Implementation
- Climate Change
- Coal Phase Out
- Corporate Low Carbon Strategies
- Ecological Consumer Behaviour
- Ecological Reforms
- Electric Vehicle
- Emission Standard
- Emissions Trading
- Energy Consumption
- Energy Management
- Energy Neutral Design
- Energy Policy
- Energy Production
- Environmental and Clean Technologies
- Environmental Economics
- Fossil Fuels Resources and Consumption, Markets and Policies
- Green Economy and Sustainable Development
- Industrial Revolution
- Low Carbon Building
- Low Carbon Communities
- Low Carbon Diet
- Low Carbon Emission
- Low Carbon Fuel Standard
- Low Carbon Public Policies at Different Scales, from Local to International
- Mobile Emission Reduction Credit (MERC)
- Petroleum Phase Out
- Renewable-Energy Economy
- Renewable Heat
- Sustainable Development
- Vegetable Oil Economy
- World Energy Resources and Consumption

LCE publishes different types of papers: applied research articles are original academic contributions analysing a specific topic or issue and discussing the policy implications; case-studies discuss an in-depth investigation of a firm(s) or country(ies) initiative; surveys, which present the state-of-the-art of the literature on a specific topic or issue; short position papers, which are mostly related to very specific policy issues. we also publish Special Issues on specific topics.

Notes for Intending Authors

Your paper should not have been previously published or be currently under consideration for publication any place else. Submit your paper electronically through the LCE online system. All papers are subject to peer review. After your paper has been accepted, you must sign a copyright transfer agreement with LCE. Papers accepted for publication will be available free online. A fee will be charged to cover the publication cost. Manuscripts must be written in English.
