

# Table of Contents

**Volume 5    Number 3B**

**August 2017**

## **Compared Study of Authentic Culture on Three Guangdong Ancestral Temples**

Y. F. Wen.....1

## **An Overview of Folding Techniques in Architecture Design**

T. Shen, Y. Nagai.....12

## **Identification of Patterns of Consumption through the Daily Mean Outdoor Temperature**

A.-R. Pablo, G.-M. José, O.-G. Luis, C.-A. Pablo, M.-S. Jesús.....20

## **Research on the Application of Space Syntax in Urban Planning**

X. Chen.....29

## **Research on Urban Community Facilities Safety Governance—Based on the Overall Perspective**

Y. P. Liu, Z. X. Yuan, Y. Wang.....36

## **Research on the Seepage Safety Monitoring Indexes of the High Core Rockfill Dam**

B. Chen, L. Zhang, Q. P. Qian, Y. H. Dou, Z. H. Ji.....42

## **Water Consumption in Ningxia Reach of the Yellow River since Integrated Regulation**

S. Y. Jin, X. H. Jiang, P. Zhang.....54

## **Simulation on the Time Progress of the Non-Point Source Pollution**

### **Load in Initial Stage Runoff for Small Watershed**

M. Y. Sun, T. T. Liu, B. Chen, Y. Zhang, L. X. Han.....62

## **Numerical Simulation of the Effects on Low Temperature**

### **Drainage from LNG on the Ocean Water Environment**

M. Y. Sun, Y. Zhang, L. X. Han, B. Chen, T. T. Liu.....71

## **Vision-Based Vehicle Detection for a Forward Collision Warning System**

D.-C. Tseng, C.-C. Huang.....81

## **Assessment of Microbial Communities and Their Relationship**

### **with Enzymatic Activity during Composting**

K. Kazemi, B. Y. Zhang, L. M. Lye.....93

## **The Research Framework Model of Rapid Assessment and Emergency Plan Selection for Urban Flood Disaster**

J. N. Yan, Y. Y. Fan, S. W. Jing.....103

## **The Irony of Flood Risks in African Dryland Environments: Human Security in North Cameroon**

H. Bang, L. Miles, R. Gordon.....109

## **Research on the Evaluation of Urban Open Data**

Y. Liu, C. Y. Jiang, S. Li.....122

## **Effects of Impact Loads on Mechanical Performance for Truss Structure**

Z. W. Zheng, Y. Bai.....135

## **Developments of Gussasphalt System on Steel Deck Pavement**

M. Wang, D. Y. Hu, L. Xiao, F. Shang.....141
