http://www.scirp.org/journal/aa

**Advances in Anthropology** (AA) is an international journal dedicated to reporting on the latest advances in anthropology and related disciplines. The goal of this journal is to provide a platform for scientists and academicians worldwide to promote, share, and discuss various new issues and perspectives in diverse areas of anthropology and to keep a record of the newest methodological and theoretical developments in the discipline.

# Subject Coverage

The journal publishes original papers including, but not limited to, the following subfields of anthropology:

- Anthropometry and anthroposcopy
- Bioarchaeology
- Cultural anthropology
- Educational anthropology
- Ethnography
- Forensic anthropology
- Historical archaeology
- Human ecology and adaptation

- Human epigenetics and epigenomics
- Human genetics and genomics
- Human origins and evolution
- Medical anthropology
- Molecular anthropology
- Paleoanthropology
- Psychological anthropology
- Social anthropology

We are also interested in: 1) Short Reports—2 to 5 page papers that report on preliminary research results; 2) Book Reviews—comments and critiques on recently published books on relevant topics; 3) Letters to the Editor—responses to previously published articles; 4) Conference Proceedings—please contact the Editor-in-Chief with a 2 page proposal.

# **Notes for Intending Authors**

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically from the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
