

## Special Issue on Potato

### Call for Papers

**Potato** is the world's fourth-largest food crop, following maize, wheat, and rice. The word "potato" may refer either to the plant itself or to the edible tuber.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **potato**. Potential topics include, but are not limited to:

- Physiology
- Breeding and genetics
- Disease and pest research
- Post-harvest handling and quality
- Crop management
- Nutrition
- Economics and marketing

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Potato**” should be selected during your submission.

Special Issue timetable:

Submission Deadline	December 29th, 2015
Publication Date	January 2016
