

Special Issue on English Literature and Culture

Call for Papers

English literature and culture studies English language and its literary and cultural productions throughout history, which encompasses diverse forms of literature, including fiction, poetry, drama, and non-fiction works, as well as cultural objects like films, music, art, and architecture. The study of English literature and culture examines the complex interplay between literary works and the historical, social, and political contexts in which they were produced. It also analyzes language use, literary techniques, and the cultural relevance of a particular piece of work.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **English Literature and Culture**. Potential topics include, but are not limited to:
