

Special Issue on Sociology of Education

Call for Papers

Sociology of Education is the study of how social institutions and individuals' experiences within these institutions affect educational processes and social development.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **sociology of education**. Potential topics include, but are not limited to:

- Concept and origin of sociology of education
- Social stratification, socialization
- Education and social reproduction
- Political influence
- Economic development
- Cultural diversity
- Case studies

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Sociology of Education**” should be selected during your submission.
