

Special Issue on Higher Education

Call for Papers

Higher education, also known as post-secondary education, or third level education, is the education or learning occurs after secondary education. The education is often provided by colleges, universities, polytechnics and other college-level institutions that award academic degrees or professional certifications.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Higher Education**. Potential topics include, but are not limited to:

- Vocational university
- Liberal arts college
- Engineering college
- Art education
- Entrance standards
- Graduate unemployment
- Recent controversy
- Higher education policy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Higher Education**” should be selected during your submission.
