

Special Issue on Technology and History of Education: Moving Forward to a New Perspective

Call for Papers

Taking into consideration the importance and effect of technology in nowadays society it is necessary to discuss and propose new trends related to History of Education and the research in this field. Therefore, this special issue has as its objective to discuss and propose new perspectives, objects and ways to see the research in History of Education in the XXI century, having in mind that the horizons of research goes beyond we can think or imagine.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **technology and history of education: moving forward to a new perspective**.

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Technology and History of Education: Moving Forward to a New Perspective**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	October 24th, 2017
Publication Date	December 2017

Guest Editor:

Prof. Simone Amorim (Tiradentes University, Brazil)
