

Special Issue on
Creativity, Excellence and Innovation in Education
Call for Papers

Creativity and innovation are at the heart of a powerful shift occurring in our lives as society moves from an industrial economy to a knowledge economy. Creative thinking is often equated with originality, the generation of ideas, and with a range of problem-solving strategies. Creativity and innovation in education let students to become aware of their innate creativity and helps them become creative professionals through the implementation of creative thinking in workplace.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **creativity, excellence and innovation in education**. Potential topics include, but are not limited to:

- Excellence in education
- Creativity and innovation
- Innovative learning environment
- Vision and leadership
- Future trends

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Creativity, Excellence and Innovation in Education**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	February 19th, 2018
Publication Date	April 2018
