

Special Issue on Curriculum Studies

Call for Papers

Curriculum studies is a concentration within curriculum and instruction concerned with understanding curricula as an active force of human educational experience.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Curriculum Studies**. Potential topics include, but are not limited to:

- Educational practice and instruction
- Curriculum design and development
- Curriculum and teaching technology
- Curriculum, pedagogy and assessment
- Theoretical and empirical experience
- Reform and innovation
- Feedback and interaction with students
- Science and transdisciplinary curriculum

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Curriculum Studies**” should be chosen during your submission.

According to the following timetable:
