Special Issue on Chinese Culture and Society

Call for Papers

China has a long history that begins from the feudal society of Imperial China to the contemporary era. This special issue studies all aspects of society in China, which includes the culture, education, economy, crime, health, technology, tourism, population and public policy. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Chinese Culture and Society.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Chinese Culture and Society**. Potential topics include, but are not limited to:

- Chinese culture
- Chinese economy
- Chinese education
- Chinese language
- Chinese mythology
- Politics, and history
- Public health
- Social policy in China
- Social structure in China
- Traditions and festivals
- China's social changes and economic transformations

Authors should read over the journal's For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's Paper Submission System.

Please kindly specify the "**Special Issue**" under your manuscript title. The research field "**Special Issue - *Chinese Culture and Society***" should be selected during your submission.

Special Issue Timetable:

Submission Deadline	November 29th, 2023
Publication Date	January 2024
