HEALTH is an international journal dedicated to the latest advancement of human health. The goal of this journal is to provide a platform for doctors and academicians all over the world to promote, share, and discuss various new issues and developments in health related problems. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Cancers
- Cardiovascular System
- Chinese Medicine
- Diagnosis and Therapy
- Drug Therapy
- Epidemiology
- Exercise Physiology
- Food and Nutrition
- Food Hygiene
- Genetics/Birth Defects
- Health Economics
- Health Psychology
- Immune System
- Medical Equipment
- Medical Physics
- Mental Health and Behavior
- Neurology
- Normal and Pathological States
- Nursing
- Nutrition and Dietetics
- Occupational Therapy
- Optometry
- Osteopathic Medicine
- Otolaryngology
- Pharmacology
- Physical Education
- Physical Therapy
- Psychoanalysis
- Psychotherapy
- Public Health
- Stomatology
- Surgery and Rehabilitation
- Toxicology and Environmental Health
- Virology

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

→ Notes for Intending Authors

Submitted papers should not be previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. For more details, please access the website.
