

Special Issue on Senior Health

Call for Papers

People nowadays are living longer than ever before. As we get older, our bodies and minds change. Some changes may just be part of normal aging, while others may be a warning sign of a medical problem.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Senior Health**. Potential topics include, but are not limited to:

- Senior exercise
- Alzheimer's disease
- Nutrition for seniors
- Cognitive health
- Depression
- Movement disorders
- Memory

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Senior Health**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	November 30th, 2017
Publication Date	January 2018
