

## Special Issue on Family Medicine and Healthcare

### Call for Papers

Family medicine provides continuing and comprehensive health care for the individual and family, in scope of all ages, both sexes each organ system, and every disease entity. It integrates the biological, clinical, and behavioral sciences.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Family Medicine and Healthcare**. Potential topics include, but are not limited to:

- Continuing and comprehensive healthcare
- Disease prevention and health promotion
- Evaluation and treatment
- Facts and policies
- Current practice
- Practicing and teaching
- Diseases and associated factors
- Family medicine and primary care
- Family and community medicine
- Family therapy
- Family medicine nursing

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Family Medicine and Healthcare**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	August 8th, 2019
Publication Date	October 2019
