

## Special Issue on NMR in Biomedicine

### Call for Papers

The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in area of NMR in Biomedicine.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **NMR in Biomedicine**. Potential topics include, but are not limited to:

- Magnetic resonance spectroscopy
- Magnetic resonance imaging (MRI)
- Structural biology
- Metabolic studies
- Drug discovery
- Medical imaging
- Disease diagnosis
- Quantitative proton MR techniques
- Molecular MRI and MRI-guided drug delivery
- Bioreactor spectroscopy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - NMR in Biomedicine**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	October 27th, 2016
Publication Date	December 2016

**Guest Editor:**
