

Special Issue on Breast Cancer

Call for Papers

Breast Cancer is the most common invasive cancer in women, and the second main cause of cancer death in women, after lung cancer.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **breast cancer**. Potential topics include, but are not limited to:

- BRCA1 and BRCA2
- Mastectomy
- Inflammatory breast cancer
- Breast cancer early detection and diagnosis
- Breast cancer treatment
- Breast reconstruction surgery
- Breast cancer risk and prevention
- Non-cancerous breast conditions

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Breast Cancer**” should be selected during your submission.

Special Issue timetable:
