

Special Issue on Colorectal Cancer

Call for Papers

Colorectal cancer is the development of cancer from the colon or rectum. A cancer is the abnormal growth of cells that have the ability to invade or spread to other parts of the body.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Colorectal Cancer**. Potential topics include, but are not limited to:

- Signs and symptoms
- Diagnosis, therapy and management
- Surgical treatment
- Genetics and pathology
- Risk factors
- Prevention
- Metastatic colorectal cancer
- Rectal cancer
- Colon cancer

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Colorectal Cancer**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	May 15th, 2020
Publication Date	July 2020

For publishing inquiries, please feel free to contact the Editorial Assistant at submission.entrance1@scirp.org
