

## Special Issue on Gender and Education

### Call for Papers

Global education patterns are changing. Within formal education systems, from the primary to the tertiary levels, opportunities are expanding, literacy levels are improving and enrolment is rising. But are these changes advancing the goal of gender parity and equality in education across regions and countries?

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Gender and Education**. Potential topics include, but are not limited to:

- Girls' education and gender equality
- Gender and educational attainment
- Gender gap in education
- Feminist debate
- Masculinized culture
- Gender and culture
- Female vocational training
- Gender imbalance in education and employment
- Educational policy and politics

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Gender and Education**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	April 10th, 2017
Publication Date	June 2017
