

Special Issue on Happiness & Well-Being

Call for Papers

Happiness is a mental or emotional state of well-being defined by positive or pleasant emotions ranging from contentment to intense joy. Happy mental states may also reflect judgements by a person about their overall well-being.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Happiness & Well-Being**. Potential topics include, but are not limited to:

- Cognitive evaluations of life
- Life satisfaction
- Job satisfaction
- Affective enjoyment of life
- Subjective well-being
- Empirical investigation of subjective well-being
- Measurement and evaluation of happiness
- Positive psychology
- Pleasant and meaningful life
- Living habit and life-style for happiness

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Happiness & Well-Being**” should be selected during your submission.
