
Special Issue on Culture, Values, and Beliefs

Call for Papers

Values are the motivation behind purposeful actions. They are the purpose of our actions. Cultural values are values accepted by religion or society, reflecting what is important in each situation. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of **Culture, Values, and Beliefs**.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Culture, Values, and Beliefs**. Potential topics include, but are not limited to:

- Human values and ethics
- Values, beliefs, behaviors, and cultural differences
- Company and organizational culture
- School culture
- Leadership values
- Culture and personal values
- Family values
- Culture and values in education

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Culture, Values, and Beliefs**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	October 20th, 2021
Publication Date	December 2021
