

## Special Issue on Nuclear science and technology

### Call for Papers

*Natural Science* is an international journal dedicated to the latest advancement of natural sciences. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of natural sciences. You are invited to submit a paper for Special Issue of Natural Science. Please submit your research, review or short communication for this upcoming **special issue on "Nuclear Science and technology"**

In this special issue, we are going to invite front-line researchers and authors to submit original research and review articles that explore **Nuclear Science and technology**. Potential topics include, but are not limited to:

- Nuclear DNA
- Nuclear physics
- Nuclear engineering
- Nuclear power
- Nuclear reactor technology
- Nuclear weapon
- Nuclear medicinal

Before submission authors should carefully read over the journal's Author Guidelines, which are located at <http://www.scirp.org/Journal/ForAuthors.aspx?JournalID=69>. Prospective authors should submit an electronic copy of their complete manuscript through the journal Manuscript Tracking System at <http://papersubmission.scirp.org/admin/initLoginAction.action?journalID=19> according to the following timetable:

Submission Deadline	August 31 <sup>st</sup> 2012
Publication Date	October 2012

### Editors in Chief

Prof.Kuo-Chen Chou, Gordon Life Science Institute, USA
