

Special Issue on Cosmic Research

Call for Papers

Cosmic research focuses on space science and related space technologies.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **cosmic research**. Potential topics include, but are not limited to:

- Space system engineering
- Planet sciences
- Space exploration
- Cosmic rays
- Aerodynamics
- Mars and life
- Satellite systems
- Matters in near earth orbit
- Space environment
- Solar wind and solar activity

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue –Cosmic Research**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 30th, 2018
Publication Date	March 2018
