Open Journal of Depression is an international journal about depression. The goal of this journal is to provide a platform for social scientists and academicians all over the world to promote scholarship on depression and depression-related topics.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Depression Assessment
- Depression Causes
- Depression in Young Adults
- Depression Therapy

The Journal also publishes: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Book reviews — Comments and critiques.
