Open Journal of Ecology (OJE)

<http://www.scirp.org/journal/oje>

Open Journal of Ecology (OJE) is an international journal dedicated to the latest advancement of Ecology. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of Ecology. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy.

Subject Coverage

This journal invites original research and review papers that address the following issues. Topics of interest include, but are not limited to:

- Agroecology
- Biogeochemistry
- Ecological anthropology
- Ecological design
- Ecological economics
- Ecological engineering
- Ecological health
- Environmental psychology
- Festive ecology
- Human ecology
- Industrial ecology
- Social ecology

We are also interested in: 1) Short Reports – 2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews – Comments and critiques

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
