

Special Issue on Environmental Planning and Management

Call for Papers

Currently environment planning and management are typically used to describe the interdisciplinary field, which includes environmental planning, policy development and land-use planning, and so on. The goal of this special issue is to provide a platform for scientists and academicians all over the world to discuss various issues in the area of environmental planning and management.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Environmental Planning and Management**. Potential topics include, but are not limited to:

- Environmental Planning
- Pollution Monitoring
- Environmental Impact
- Environmental Management
- Land Use
- Environmental Ecology

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Environmental Planning and Management**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	June 20th, 2017
