

## Special Issue on Health Care during Pregnancy

### Call for Papers

Health care during pregnancy is a complicated progress involving in many aspects including prenatal testing, medical visits, exercise, nutrition, screening for infections and genetic diseases, getting maternal illnesses under control, and so on. Health care during pregnancy can provide important precautions for the pregnant woman and ensure a healthier pregnancy.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Health Care during Pregnancy**. Potential topics include, but are not limited to:

- Nausea and vomiting
- Hyperemesis gravidarum
- Anemia in pregnancy
- Prenatal nutrition
- Oral health care during pregnancy
- Prenatal testing
- Emotional health during pregnancy
- Illness or infection during pregnancy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Health Care during Pregnancy**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	February 10th, 2016
Publication Date	April 2016
