

Special Issue on Labor and Delivery

Call for Papers

Labor and Delivery is the ending of a pregnancy by one or more babies leaving a woman's uterus by vaginal passage or Caesarean section.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Labor and Delivery**. Potential topics include, but are not limited to:

- Preterm labor
- Cesarean delivery
- Childbirth positions
- Midwife care
- Labor pain control
- Labor induction
- Episiotomy
- Eclampsia and maternal mortality
- Maternal complications and fetal complications
- Postpartum bleeding, infection, disorder and care
- Risks and conflicts

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Labor and Delivery**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	March 28th, 2019
Publication Date	May 2019
