

Special Issue on Gynecologic Surgery

Call for Papers

Gynecological surgery refers to surgery on the female reproductive system. It includes procedures for benign conditions, cancer, infertility, and incontinence

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Gynecologic Surgery**. Potential topics include, but are not limited to:

- Oophorectomy
- Hysterectomy
- Cesarean
- Pelvic surgery
- Laparoscopic approach
- Surgical approach for gynecologic oncology

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Gynecologic Surgery**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	January 21st, 2020
