## Special Issue on Philosophy and Psychology

### Call for Papers

**Philosophy and psychology** studies epistemological concerns about the methodology of psychological investigation, as well as philosophical questions about the nature of mind, brain, and cognition.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **philosophy and psychology**. Potential topics include, but are not limited to:

- Morality and value
- Ontological framework of cognitive neuroscience
- Human emotions and evolution
- Mind-body relationship
- Consciousness
- Mentalism and behaviorism
- Nature of mind, brain, and cognition

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – *Philosophy and Psychology***” should be chosen during your submission.

According to the following timetable:

Submission Deadline	February 23rd, 2018
Publication Date	April 2018
