

## Special Issue on Ethics Studies

### Call for Papers

Ethics is often referred to as moral philosophy. "Morality" is defined as all codes of conduct recognized by a group of people or a culture. Ethics tries to construct a system of rules guiding behavior from the theoretical level and make strict judgments on it. Ethics involves defending and encouraging right actions and discouraging wrong ones. As a field of knowledge exploration, moral philosophy is also related to moral psychology, descriptive ethics and values.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **ethics studies**. Potential topics include, but are not limited to:

- Ethical theory
- Western ethical thought
- Morality construction
- Applied ethics
- Political ethics
- Economic ethics
- Environmental ethics
- Family ethics
- Bioethics

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the "**Special Issue**" under your manuscript title is supposed to be specified and the research field "**Special Issue – Ethics Studies**" should be chosen during your submission.

According to the following timetable:

Submission Deadline	December 31st, 2019
Publication Date	February 2020
