

Special Issue on History of Philosophy

Call for Papers

The history of philosophy is the study of philosophical ideas and thinkers throughout time and across different cultures. It is an exploration of the evolution of philosophical thought and analysis, and how this has influenced and shaped our understanding of the world and our place in it. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of History of Philosophy.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **History of Philosophy**. Potential topics include, but are not limited to:

- Ancient Greek philosophy
- Antiquity and middle ages
- Classical philosophy
- Early modern philosophy
