

Special Issue on Political Ideologies

Call for Papers

Political ideologies are sets of beliefs, values, and principles that guide individuals and groups in their understanding of political systems and the organization of society. They provide a framework for understanding and evaluating political power, governance, social issues, and economic policies. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Political Ideologies.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Political Ideologies**. Potential topics include, but are not limited to:

- Liberalism
- Conservatism
- Socialism
