

Special Issue on Political Development

Call for Papers

Political development refers to the process of political change and transformation within a society, encompassing various aspects such as the establishment of political institutions, the evolution of political systems, and the advancement of democratic principles. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of Political Development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Political Development**. Potential topics include, but are not limited to:

- Political change
- Transformation
- Political institutions
- Political systems
- Democratic principles
- Political processes
- Decision-making mechanisms
- Political actors
- Political participation
- Citizen engagement
- Democratic values
- Political stability
- Inclusive governance
- Historical factors

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Political Development**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	August 20th, 2024
---------------------	-------------------

Publication Date	October 2024
------------------	--------------
