

## **Special Issue on Eating Disorders with Binge Eating**

## **Behavior**

## **Call for Papers**

**Eating Disorders** are serious but treatable mental illnesses that can affect people of every age, sex, gender, race, ethnicity, and socioeconomic group. No one knows exactly what causes eating disorders, but a growing consensus suggests that a range of biological, psychological, and sociocultural factors come together to spark an eating disorder.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **eating disorders with binge eating behavior**. Potential topics include, but are not limited to:

- Anorexia nervosa
- Bulimia nervosa
- Binge eating disorder
- Risk factors
- Mechanisms
- Treatments and therapies

Authors should read over the journal's <u>For Authors</u> carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's <u>Paper Submission System</u>.

Please kindly specify the "**Special Issue**" under your manuscript title. The research field "**Special Issue** – *Eating Disorders with Binge Eating Behavior*" should be selected during your submission.

Special Issue timetable:

Submission Deadline	February 28th, 2018
Publication Date	April 2018
