

## Special Issue on Pharmacotherapy

### Call for Papers

**Pharmacotherapy** is therapy using pharmaceutical drugs, as distinguished from therapy using surgery (surgical therapy), radiation (radiation therapy), movement (physical therapy), or other modes.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **pharmacotherapy**. Potential topics include, but are not limited to:

- Drugs and medications for treatment of diseases
- Pharmaceutical sciences and drug delivery
- Medical oncology
- Clinical pharmacy
- Intervention with drugs
- Aspirin treatment
- Statin therapy
- Antibiotic treatment

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Pharmacotherapy**.” should be chosen during your submission.

According to the following timetable:

Submission Deadline	September 13th, 2018
Publication Date	November 2018
