

Special Issue on Clinical Pharmacy

Call for Papers

Clinical pharmacy is the branch of pharmacy in which clinical pharmacists provide direct patient care that optimizes the use of medication and promotes health, wellness, and disease prevention. [

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Clinical Pharmacy**. Potential topics include, but are not limited to:

- Pharmacy practice
- Pharmacy and health sciences
- Pharmacy and disease management
- Patient care and safety
- Pharmacy-supported interventions
- Adverse events
- Cancer treatment
- Pharmacy services
- Drug effects

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Clinical Pharmacy**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	February 28th, 2020
Publication Date	April 2020
