

Special Issue on Pharmacy Practice

Call for Papers

Pharmacy is the science and practice of discovering, producing, preparing, dispensing, and reviewing drugs, aiming to ensure the safe, effective, and affordable use of drugs.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Pharmacy Practice**. Potential topics include, but are not limited to:

- Community pharmacy
- Clinical pharmacy
- Drug safety and effects
- Drug interactions
- Pharmaceutical technology
- Assessment and evaluation
- Treatment and therapy
- Clinical pharmacy outcomes
- Pharmacy care
- Hospital pharmacy
- Pharmacy administration
- Health services and pharmacy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Pharmacy Practice**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	October 30th, 2020
Publication Date	December 2020
