

Special Issue on Research on Applied Psychology

Call for Papers

Applied psychology - includes clinical, educational, forensic, health, human factors, industrial-organizational, occupational health, school, and sport psychology. It can be psychology applied to business, the law, product design, management, mental health, etc.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **applied psychology**. Potential topics include, but are not limited to:

- Individual differences in abilities, personality, and other characteristics
- Creativity, innovation, and adaptation
- Work stress, health, and well-being
- Counseling psychology
- Educational psychology
- Human factors and ergonomics
- Industrial and organizational psychology
- Health and medicine

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Research on Applied Psychology**” should be selected during your submission.

Special Issue timetable:

Submission Deadline	September 15th, 2015
Publication Date	November 2015
