

Special Issue on Psychotherapy

Call for Papers

Psychotherapy, or talk therapy, is a way to help people with a broad variety of mental illnesses and emotional difficulties. Psychotherapy can help eliminate or control troubling symptoms so a person can function better and can increase well-being and healing.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **psychotherapy**. Potential topics include, but are not limited to:

- Psychoanalysis
- Cognitive behavioral therapy
- Dialectical Behavior therapy
- Interpersonal therapy
- Psychodynamic therapy
- Family therapy
- Child psychotherapy
- Psychotherapy and medication
- Cases

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Psychotherapy**” should be selected during your submission.

Special Issue timetable:

Submission Deadline	May 30th, 2018
