

Special Issue on Surgical Endoscopy

Call for Papers

Surgical Endoscopy focuses on the surgical aspects of interventional endoscopy, ultrasound, and other techniques in the fields of obstetrics, gynecology, gastroenterology and urology, as well as in traumatic, gastroenterologic, orthopedic, thoracic and pediatric surgery.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Surgical Endoscopy**. Potential topics include, but are not limited to:

- Arthroscopy
- Bronchoscopy
- Colonoscopy
- Colposcopy
- Cystoscopy
- Esophagogastroduodenoscopy
- Endoscopic retrograde
- Hysteroscopy
- Laparoscopy
- Laryngoscopy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Surgical Endoscopy**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	November 16th, 2017
Publication Date	January 2018
