

Special Issue on Research on Tax

Call for Papers

A **tax** is a mandatory financial charge or some other type of levy imposed upon a taxpayer by a state or the functional equivalent of a state in order to fund various public expenditures. Most countries have a tax system in place to pay for national needs and government functions.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **tax**. Potential topics include, but are not limited to:

- Corporate income tax
- Tax and economic effects
- Tax and subsidy policies
- Tax and expenditure policies
- Tax-exempt economy
- Effective tax rates

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Research on Tax**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	December 21st, 2017
Publication Date	February 2018
