

Contents

CHAPTER 1: ADAPTABILITY IN MASS HOUSING.....	1
1.1. Adaptability.....	2
1.1.1. Terminologies Associated with Adaptability.....	2
1.1.2. The Definition of Adaptability in This Research.....	9
1.2. Mass Housing.....	21
1.2.1. Definition.....	21
1.2.2. The Development.....	22
1.2.3. The Problems.....	23
1.3. Adaptability in Mass Housing.....	28
1.3.1. The Significance of Adaptability.....	28
1.3.2. The Development of Adaptability.....	30
1.4. Rethinking Adaptability.....	34
1.4.1. The Difficulties.....	34
1.4.2. Factors of Adaptability.....	38
1.4.3. The Research Area.....	41
CHAPTER 2: DESIGN FOR ADAPTABILITY.....	43
2.1. Open Building.....	44
2.1.1. The Theory and Its Development.....	44

DESIGN FOR ADAPTABILITY IN MASS HOUSING

2.1.2. The Design Principles.....49

2.1.3. The Examples.....52

2.1.4. The Criticisms.....63

2.2. Design Practice.....66

2.3. Reviews on Designs and Practices.....71

2.3.1. Housing Adaptability/Flexibility.....72

2.3.2. Adaptable Housing Design.....75

2.3.3. Flexible Housing.....78

2.3.4. Polyvalence.....82

2.3.5. The Design Options.....88

2.4. Rethinking Design for Adaptability.....99

CHAPTER 3: TARGET: A DESIGN GUIDE.....107

3.1. Aim of the Research.....107

3.2. Scope of the Design Guide.....109

3.2.1. The Scope of Design.....109

3.2.2. The Scope of Dwelling Types.....112

3.2.3. The Scope of Adaptability.....114

3.3. Type of Research.....117

CHAPTER 4: FRAMEWORK DEVELOPMENT.....123

4.1. Conceptual Framework.....124

4.2. Decomposition for Case Studies.....127

4.2.1. Layers and Elements.....128

4.2.2. Housing System.....	136
4.2.3. Influential Design Factors.....	141
CHAPTER 5: CASE STUDIES.....	145
5.1. Pattern of Case Studies.....	145
5.2. The Case Studies.....	148
5.2.1. MHLG Adaptable House.....	148
5.2.2. Alexandra Road, Block C.....	156
5.2.3. Hopkins House.....	164
5.2.4. Brockley Park Estate.....	171
5.2.5. PSSHAK: Adelaide Road Estate.....	178
5.2.6. Honor Oak Park.....	186
5.2.7. Greenwich Millennium Village, Phase II.....	193
5.2.8. Cala Domus.....	201
5.2.9. Consort Road.....	208
5.2.10. The Whole Life House.....	214
5.2.11. Schröder House.....	220
5.2.12. Erasmuslaan.....	227
5.2.13. Extendible Houses ('t Hooi).....	234
5.2.14. Diagoon Houses.....	242
5.2.15. Flexible Housing in Almere.....	249
5.2.16. Multiple Choice—Housing in Isla Margarita.....	255
5.2.17. Growth Homes.....	261
5.2.18. Wenswonen.....	267

DESIGN FOR ADAPTABILITY IN MASS HOUSING

5.2.19. The Dovernel Convertible House.....274
5.2.20. The Next Home.....280
5.2.21. Sprout Home.....286

CHAPTER 6: THE DESIGN GUIDE.....293

6.1. Comparison and Analysis.....293
6.1.1. Types of Adaptability.....293
6.1.2. Design Factors.....294
6.2. The Design Guide.....316
6.2.1. Capacity Increase.....317
6.2.2. Internal Space Arrangements.....321
6.2.3. Service Configuration.....327
6.2.4. Structure and Space-Making.....331

BIBLIOGRAPHY.....335

FOUNDATION.....367
