

Table of Contents

Volume 6 Number 8

August 2015

Elevated Root-Zone Temperature Modulates Growth and Quality of Hydroponically Grown Carrots

M. Sakamoto, T. Suzuki.....749

Influential Factors in the Econometric Modeling of the Price of Wheat in the United States of America

F. J. D. Keatinge.....758

Effectiveness of Selected Microbial Strains on the Growth of Sweet Sorghum

A. Díaz-Franco, O. A. Grageda-Cabrera, M. G. Lozano-Contreras.....772

Dormancy Interferes with Flowering in Perennial Plants with Short Day Regulation of Both Processes: A Mini-Review

O. M. Heide, A. Sønsteby.....778

Yield and Fiscal Benefits of *Rhizobium* Inoculation Supplemented with Phosphorus (P) and Potassium (K) in Climbing Beans (*Phaseolus vulgaris* L.) Grown in Northern Tanzania

G. W. Mmbaga, K. M. Mtei, P. A. Ndakidemi.....783

Effect of Rice Straw Biochar on Soil Quality and the Early Growth and Biomass Yield of Two Rice Varieties

A. Kamara, H. S. Kamara, M. S. Kamara.....798

Self-Assembly Effects of Seafood Waste and Cow Dung to Remediate Saline Soil

K. J. Wen, C. Liu, L. P. Wu, C. Ma, Y. Y. Zhang.....807

Feed Intake, Growth Performance and Blood Constituents of Growing Male West African Dwarf Goats Fed Concentrates Varying in *Pueraria phaseoloides* Leaf Meal Content

A. A. Akingbade, P. Shinggu, K. J. Onaleye, A. E. Adebisi, C. Adifagberu.....817

Soil Erosion and Its Relationship to the Spatial Distribution of Land Use Patterns in the Lancang River Watershed, Yunnan Province, China

Y. Q. Li, S. H. Zhang, Y. Peng.....823

The Effect of Climate Change on Land and Water Use

G. Stulina, G. Solodkiy.....834

Physiological Traits of Durum Wheat (*Triticum durum* Desf.) and Bread Wheat (*Triticum aestivum* L.) Genotypes under Drought Stress

T. I. Allahverdiyev.....848

Dynamics and Activity of Iron-Reducing Bacterial Populations in a West African Rice Paddy Soil under Subsurface Drainage: Case Study of Kamboinse in Burkina Faso

C. H. Otoidobiga, A. Keita, H. Yacouba, A. S. Traore, D. Dianou.....860

A Dual Ensemble Agrokimate Modelling Procedure to Assess Climate Change Impacts on Sugarcane Production in Australia

Y. Everingham, G. Inman-Bamber, J. Sexton, C. Stokes.....870
