**Special Issue on Modern Media**

**Call for Papers**

From the shows we watch on TV, the music we listen to on the radio, to the books, magazines, and newspapers we read each day. The media are a powerful force in today’s environmental. Since the arrival of media age, the general public can be more liberal to share information, experience, ideas, insight. Because there is no time and space constraints, and now media has a force of barbaric growth. How to deal with the challenges brought by the media technology update, how to shape the positive social role of media and improve the value of its existence, is an important issue to be studied and discussed.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **modern media**. Potential topics include, but are not limited to:

- Mobile media
- Media arts
- Social network
- Emerging media
- Traditional media
- News media and society
- Modern media function
- Diversified development of modern media

Authors should read over the journal’s [For Authors] carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal’s [Paper Submission System].

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Modern Media**” should be chosen during your submission.
